Buy & Sell Requirements for Listing

1. The Buy & Sell is a free service to Collins Community Credit Union members only. **You must be a CCCU member to submit an ad.** We ask that you do not submit ads into the Buy & Sell for friends and/or relatives but instead encourage them to join the credit union. Our field of membership is open to anyone who lives or works in Linn, Johnson and any of the surrounding counties.

2. All ads must be received before midnight on the last business day of the month. Ads submitted during the month will be available in printed form or online on the 15th of the following month. If the 15th of the month falls on a weekend or a holiday, it will be available on the next business day.

3. Ads must include Name, Member account number and either a home or cell phone number, AREA CODE included (business numbers or work extensions will not be permitted). Incomplete Ads will not be printed.

4. Ads submitted with items from more than one of the available classifications will be published in the Miscellaneous category.

5. All listings must be in typed or written form using the credit union provided Buy & Sell Cards or a standard 3x5 index card that includes the information in Guideline #3 above. Ads may also be submitted at

www.collinscu.org. **No listing will be accepted over the phone.**

6. Due to space limitations, **all members are limited to ad copy of 255 total characters**, including spaces per monthly issue of the Buy & Sell. Single ads that exceed this number will be edited to comply. A member may submit ads for multiple categories but the 255 letters and spaces limitation still applies. The credit union does not retain ads that have been omitted due to a member reaching the maximum limit. Similar ads submitted by a member will only be listed once in the publication.

7. Collins Community Credit Union reserves the right to reject or edit any ad even if it falls within the 255 character guidelines. This will typically involve the use of abbreviations and/or the omitting of descriptive phrases.

8. All ads featuring items for sale or wanted must be personal items only.

9. Any ads of a commercial nature, offering items for sale with the intent of making a profit, will not be printed. EXAMPLE: Real Estate, babysitting, daycare, housekeeping, rental properties, firewood, vegetables, etc. Animals may be advertised as Free to a good home. Members listing an animal as "Free to a good home" are encouraged to use due diligence to insure that the animal does indeed end up in a good and safe home.

Sorry, we are unable to cancel or change ads after we have received them.

****Unless otherwise indicated, all numbers listed are in (319) Area Code.****

Use Classified Card Format

Please use the Buy & Sell card format when filling out your 3x5 index cards. Supplies of the cards are available at each of our offices. Please classify your item into one of the following categories: Vehicles, Recreational Vehicles, Auto Parts, Electronics, Furniture/ Appliances, Sporting Goods, Clothing/ Baby Items, Miscellaneous, and Items Wanted. If more than one item is to be listed, be sure to classify each item properly, checking one class per card. Your Name, Account Number, and Phone Number are still very important and must be included on any Buy & Sell ad that is submitted. Your cooperation in this matter will help assure proper placement within our Buy & Sell.
